1	Algonquin Bridge Ltd	Atlantic Industries design, manufacture and deliver Structural Plate Arches, MSE Walls and manufacture corrugated steel pipe. Algonquin Bridge designs, fabricates and delivers steel girder bridges, pedestrian truss bridges, vehicular truss bridges and sell and rent modular panel bridges.
2	EMSCO	EMSCO Heavy Equipment is your trusted source for rentals, sales, parts, and service for the earthmoving industry. We are proud to be the authorized Hyundai Construction Equipment dealer across Saskatchewan and the Peace Region of Alberta, and with over 200 pieces from all makes and models in our heavy equipment rental fleet, count on us to have the gear to get any job done.
3	Sask Energy	SaskEnergy delivers safe, reliable and affordable natural gas to homes, businesses and industry throughout Saskatchewan. Our 71,000-kilometre distribution system serves 93% of Saskatchewan communities and over 400,000 customers. SaskEnergy is committed to sustainability by strengthening relationships with customers, communities and Indigenous groups while also providing an inclusive, safe working environment for our employees.
4	Women Building Futures	Women Building Futures offers programs and services to remove barriers for under/unemployed women to careers that pay above a living wage.
5	49 North Lubricants	Introducing Delo 600 ADF , the game-changer in diesel engine oils. It's not just about a routine oil change; it's about elevating your engine's performance and ensuring an extended Diesel Particulate Filter (DPF) service life. Specially crafted for heavy-duty diesel engines, Delo 600 ADF's advanced formula is like a guardian angel for your DPF, minimizing ash buildup and maximizing filter efficiency.
6	Sask Abilities	SaskAbilities' Regina Branch Business Centre include wood products, sewing and industrial assembly divisions. The woodshop manufactures industrial pallets, crates, stakes, dolly pads and more. Sewing services offers hi-vis striping, embroidery and heat-pressing services while assembly puts together parts bags, does bulk mailing and shredding, and more. Most of the business centre staff is made up of those experiencing disability or other barriers and all proceeds go back into SaskAbilities programming.
7	SCGA/Sask 1st Call	
8	Elrus Aggregate Systems	ELRUS Aggregate Systems produce specialized portable systems for the Aggregate and Mining Industries processing handling requirements. Innovative Custom Designs for Every Application. Quality Construction. Compact, Efficient Designs. High Productivity. Low Set-up / Tear-down Costs. ELRUS has 5 locations across Canada and a location in the USA. We have a fully equipped service and parts department to serve your needs!
10	CanSafety	
11	Merit	While benefit plans are what we do, they aren't WHO we are. Becoming a MERIT member means that you join a family of like-minded contractors that are committed to the open shop philosophy. Your membership entitles you to many important services designed to make your life as a contractor easier.
12	Allan Construction	
13	Alberta Roadbuilders (ARHCA)	The Roadbuilders Safety Training System (RSTS) is an e-learning safety awareness program created by the Alberta Roadbuilders and Heavy Construction Association (ARHCA). The RSTS offers 24 modules of safety training that is specific to workers in heavy civil and industrial construction.
14	Layfield Group	
15	Titan	Titan is the North American leader in the supply, installation, and fabrication of high-quality geosynthetics and specialty civil engineering construction products that help manage the environment and prolong the life of critical infrastructure. We do more than help manage environment impact, we help improve how that's done.
16	McDougall Auctioneers	McDougall Auctioneers, with over four decades of experience, specializes in providing top-tier auction, appraisal, and consulting services for agriculture and heavy construction equipment. Our commitment to innovation, transparency, and exceptional customer service has established us as a leader in asset sales and evaluations, striving to set industry standards both in Canada and internationally
17	Hoffmann Kool Insurance	Insurance and Risk Advisor Service focused on Liability, Bonding, Fleets. As a Navacord Broker Partner we provide National Strength with a Local Touch
18	Lester Communications	Think BIG is the flagship magazine of the Saskatchewan Heavy Construction Association, published since 2014 by Lester Communications Inc. Drop by the booth to discuss editorial opportunities or to subscribe to Think BIG and The Interchange, SHCA's monthly e-newsletter.
19	SHCA	Rest Stop
21	Ritchie Bros.	Ritchie Bros. is a one-stop-shop for everything your equipment and truck business needs to succeed – buying and selling solutions, market insights and valuation, global buyer demand, and fleet management tools. Serving a wide range of industries and markets around the world, our transaction solutions include RB Auction, IronPlanet, Marketplace-E, GovPlanet, SalvageSale, and IAA.
22	Redhead Equipment	Redhead Equipment is your exclusive, local dealer for CASE Construction, Volvo Construction Equipment, and a dealer for several other top brands of construction equipment. With ten branches across Saskatchewan, we are committed to keeping you up and running with a team of 351 parts & service staff, & 370,000 square feet of service shop space.
23	Concrete Sask	Through industry advocacy, education, and technical services, with a focus on safety and environmental sustainability, our primary goal for product promotion is to relay the advantages of concrete as the preferred building material of choice. We want to ensure we have a unified message for specifiers, project stakeholders, and industry professionals. We are focused on concrete as a product – not one specific construction system.
24	Wajax	Wajax is one of Canada's largest end-to-end industrial products, equipment, and services provider, where businesses of all sizes turn for their equipment, power generation, or repair services needs. Whether you're in the construction, forestry, food and beverage, mining, or oil and gas industries, Wajax has you covered.
25	Tensor	Tensor, a division of CMC, provides innovative, project-specific solutions for common site development applications.
26	KalTire	Kal Tire is Canada's largest independent tire dealer and one of North America's largest commercial tire dealers with over 260 Kal Tire retail and commercial stores across Canada, warehouse facilities and 10 retread manufacturing plants. In addition, Kal Tire's Mining Tire Group is an international leader in mining tire service and supply, servicing more than 150 mine sites across five continents.
27	Acure Safety	Acure Safety specializes in helping our customers create safer work forces, save time, save money and simplify safety. We are safety, delivered. Work Zone Safety Equipment, Signage, PPE, Job Security, Work Station, Materials Handling.
28	Heidelberg Materials	
29	Cenovus	Cenovus is a Canadian-based integrated energy company headquartered in Calgary. Our reliable supply minimizes downtime so you can plan and execute with confidence.
30		
31	Barricades & Signs	Our commitment to customer-driven products and services is responsible for our recent growth and has allowed us to further expand our business, providing top-of-the-line products at very competitive prices. You can count on us, and our "Committed to Service, Trusted to Deliver" attitude. We offer the right advice and proven, innovative products
